TEKKATHO FOUNDATION AT A GLANCE

WHAT WE DO

The Foundation uses digital technologies to support educational change across Myanmar. We build free, self-contained digital libraries of educational resources that the current generation of students can use right away.

Our local hosting model means that people can dependably access the eTekkatho library content at high speed from within the library building even when connectivity is poor. In this way, we provide young people with fast and easy access to a wealth of learning opportunities.

Our mission is to advance the education, particularly but not exclusively, of the people of Myanmar (Burma), including by:

(a) providing digital libraries and other education infrastructure in areas of limited or no internet connectivity;

(b) promoting exchanges, teaching placements and research partnerships between educational institutions and international partners.

We also run programmes of face-to-face training to introduce librarians and students to the availability and content of digital resources and build their IT and information literacy skills.

Today's students, who will play such a key role in the economic, social and political future of Myanmar, often struggle to gain a relevant education in institutions that lack the tools they need to deliver a strong learning environment. Our projects deliver quick, effective solutions to this problem.

We believe that improved access to resources in education will transform minds and opportunities, powering society and enabling more fulfilling lives. eTekkatho can be a driver of change right across Myanmar. We aim to strengthen education across the whole country so young people can benefit from the opportunities digital technologies bring wherever they study.

OUR COVID-19 RESPONSE

Learning with MyLibrary at Maung Phyar Basic Education School, Nov 2019

We build and deliver MyLibraries: free, self-contained digital libraries designed for teachers and learners in Myanmar. Each MyLibrary capsule is packed with thousands of educational resources, the best of the web adapted for offline environments. These include video lessons, textbooks and assessments as well as exploratory materials like games and quizzes.

As part of our COVID-19 response, we have added practical healthcare materials to help communities with no internet or phone signal and limited medical facilities to prevent, contain and treat COVID-19. These include step-by-step guides on making face-masks and maintaining hand hygiene, public information posters and videos for children in a dozen Myanmar languages, as well as a complete course from John Hopkins University on the science and clinical presentation of COVID-19 and community health interventions such as contact tracing to reduce transmission.

To keep children learning, we re-structured key sections of the MyLibrary content to make the transition to home-based learning a little easier. We added the new national curriculum materials and supporting teaching resources organised by school-grade for use at home.

MyLibrary works off-grid but is completely portable and content can be updated locally whenever the MyLibrary is connected to the internet.

NEW LIBRARY INSTALLATIONS

Early in the reporting year, a major new eLibrary installation took place at Health and Hope in Lailenpi. High up in the Chin Mountains, Health and Hope brought the first primary healthcare service to the rural areas of southern Chin State and runs the Education for All project from its education centre in Lailenpi. There is no mains electricity or internet in the region, but working in partnership with SolarLEAP, we installed a brand new eLibrary at the education centre. At the heart of the eLibrary is a Tekkatho Foundation MyLibrary, packed full of thousands of educational resources that can be accessed, explored and downloaded offline. SolarLeap provided solar panels and 20 computers, so students can access the MyLibrary and browse the resources.

"With the eLibrary, it is really a dream come true for us", says Health and Hope CEO Dr Sakie "It feels like a miracle. We are very excited to teach the students. Here, one of the problems has been no resources. Now we have books in Burmese and English, all free, and you can access a lot of different topics. I think it is really a big opportunity for the students."

And Teacher U Theisasa told us, *"The eLibrary is a very good thing for me. There was no library in our town. Now we have not an ordinary library with bookshelves but an eLibrary. With the eLibrary, finding books is easy and convenient to read. The students can learn skills and improve their knowledge."*

With the support of Learning Equality, we set-up four new digital libraries at Myaung Phyar Primary School in Magway Division, Shwe Mya Yar High School in Hmawbi Township, Myat Htarawa community library at Hlegu Township and Tagaung Youth Development Center near Mandalay *"We are happy to use this"* said one Grade 9 student *"We thank you for giving us this new experience."*

During the reporting period, our reach has extended to more marginalised communities. We have distributed 13 new MyLibrary devices. School closures and travel restrictions due to COVID-19 have affected the number of planned installations. However, we are pleased to report that new MyLibraries have been set up at schools and community libraries in Magway, Mandalay and Yangon regions. There is also a new MyLibrary installation at Health and Hope in Chin State and at the National Library in Yangon.

Five MyLibrary devices were delivered to the Norwegian Refugee Council in Rakhine State. Once schools re-open, these will provide local children with a mobile digital offline library service. The Council also plan to use the MyLibraries to provide young adults with vocational training and life skills.

Learning Equality generously renewed our Kolibri Hardware grant, and we set up four new eLibraries with these funds. However, further installations were put on hold as schools nationwide were closed to prevent the spread of COVID-19.

We participated in the Open University's Transformation by Innovation in Distance Education project, part of a UK Foreign, Commonwealth & Development Office initiative to strengthen higher education in transitioning countries. The Tekkatho Foundation ran a pilot project to deliver resources to university partners with little or no internet connectivity, and advised on the TIDE ICT Roadmap.

Our year-on-year income increased by 84% to £22k with a significant diversification of income sources and a notable growth in donations from individuals (up 422%). However, fundraising became significantly more challenging towards the end of the reporting period due to the pandemic, and we anticipate a reduction in income and reserves in the next financial year. As a result the trustees have put in place a series of measures to reduce our operating costs. Reserves at the year-end were £24,522 (2019: £20,061) comprising restricted funds of £11,502 (2019: £13,046) and unrestricted funds of £13,020 (2019: £7,015). Trustees assessments of our going concern and our reserves policy are on page 17.

EDUCATION

TRAINING ATTENDEES

1,623

We have run 26 training courses during the reporting year, directly reaching over 1,600 learners, educators and librarians at eTekkatho partner institutions. This is a smaller number than the previous reporting year due to school closures and travel restrictions as a result of the virus control measures.

ACCESS

NEW LOCATIONS

+6

In the reporting year, we added 6 new MyLibraries to our network, at 1 national library, 2 community libraries, 1 primary school and 2 high schools.

REACH

DIGITAL LIBRARIES

66

Including locations from previous years we now have 66 digital libraries operating. There is an Tekkatho Foundation digital library in every state in Myanmar. Locations include universities, schools, IDP camps and community libraries.

GOVERNANCE STATEMENTS

For the year ended 30 September 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 September 2020. The trustees have adopted the provisions of Account and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

ENSURING OUR WORK DELIVERS OUR AIMS

We review our aims, objectives and activities each year to ensure they benefit the groups of people we are set up to help. This review looks at what we have achieved and the outcomes of our work over the 12 month period 1 October 2019 to 30 September 2020.

When reviewing our aims and objectives and in planning our future activities, we have referred to the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of education.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

GOVERNING DOCUMENT

The charity is controlled by its governing document, the Memorandum and Articles of Association, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

RECRUITMENT AND APPOINTMENT OF NEW TRUSTEES

The power of appointment and removal of trustees is vested in the existing trustees.

INDEPENDENT EXAMINER'S REPORT

For Year 2019/20

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 September 2020.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. Accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

FINANCIAL REPORT **STATEMENT OF THE TRUSTEES RESPONSIBILITIES**

For the year ended 30 September 2020

The trustees (who are also the directors of Tekkatho Foundation for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing those financial statements, the trustees are required to

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charity SORP;
- Make judgements and estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FINANCIAL REPORT

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 September 2020

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

BASIS OF PREPARATION

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019 (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 and UK Generally Accepted Accounting Practice.

Tekkatho Foundation meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

PREPERATION OF THE ACCOUNTS ON A GOING CONCERN BASIS

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The trustees have made no key judgments which have a significant effect on the accounts.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

RESERVES

The charity aims to hold 3-months of operational expenditure in reserve. We consider reserves to be that part of our income funds that are freely available for operating purposes not subject to commitments, planned expenditure and spending limits. We do not include endowment funds, restricted funds or designated funds in our reserves.

INCOME

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

FINANCIAL INSTRUMENTS

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

DONATED SERVICES AND FACILITIES

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised; refer to the trustees' annual report for more information about their contribution. On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

FUND ACCOUNTING

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

EXPENDITURE AND IRRECOVERABLE VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

TANGIBLE FIXED ASSETS

Individual fixed assets are capitalised at cost and are depreciated over their estimated useful economic lives.

DEBTORS

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

CASH AT BANK AND IN HAND

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

CREDITORS AND PROVISIONS

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

FOREIGN CURRENCIES

Transactions entered into in currencies other than sterling are included in the accounts after conversion at the bank rate in force on the date.

2. LEGAL STATUS OF THE CHARITY

The charity is a company limited by guarantee registered in England and Wales and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The registered office address is disclosed on page 10.
